Simon

I hope you are well. As you know we recently submitted the Summer Lane RMA via the Planning Portal and note that this has now been transferred to you for registration. In this regard, we have noted a couple of anomalies within the submitted Site Plan- the Affordable Rented symbols were missing from the units on the Western parcel and there were some trees shown in the rear garden of Plot 47 which should not be there. Given this could I formally request that the submitted plan be replaced by the attached update in order to avoid subsequent confusion.

I hope that this is acceptable but should you have any queries or you wish to discuss, please feel free to contact me.

Regards

Adrian
