Subject: Fwd: Planning application P/70/19 Summer Lane Pagham

Please see forwarded opposition to above planning application...somehow this wonderful iPad which has a mind of its own sent it off elsewhere!!

Subject: Planning application P/70/19 Summer Lane Pagham

I oppose this application in view of over development of Pagham in that we are already being foisted with a huge development of Hook Lane. The Pagham Rd where you come up to Nyetimber here has parking both sides, is a busy Road. You have already allowed development next to The Inglenook further degenerating a rural area. This is over development of Summer Lane. Does Arun plan for infrastructure, shops, medical, school. Thank you Alan Everett
