Dear Daniel,

I have to post the new site notices by this Thursday to achieve the new "no decision before by" date of 28th December. The consultations were sent out on the 26th November 2019 and they have 21 days to respond.

I will be able to make a start on the report in the second half of week commencing 18th December but clearly we will not be able to issues until January. I am back on the 6th January so it may be possible to work on the report some more then.

Kind Regards

Dear Simon,

This is very disappointing, but I appreciate the time constraints involved between now and Christmas. Please can you provide us with an indication of timeframes to re-consult, write your report and provide a decision, based on an assumed positive consultation?

Many thanks.

Kind regards,

Dear Daniel,

I'm afraid that there will not be time to get the report & decision done before Christmas.

Kind Regards

Thanks Simon,

Apologies for pushing, just keen to keep the process moving. In relation to Adrian's recent email regarding timeframes, if the new material is favourably received, do you anticipate a decision being able to be made prior to the Christmas break?

Kind regards,
