Dear Nicola,

In your latest comments, you ask to be reconsulted on the hydrological report. We do not consider a re-consultation to be appropriate in this instance. However, these reports have been received and we will not be determining the application until next year so you have time to consider and respond further. You can view the relevant drainage documents on our website as dated 09/12/19.

Kind Regards

Simon J Davis MRTPI | Principal Planning Officer, Planning Department, Directorate of Place, Arun District Council |
