Dear Daniel,

As the layout/scheme is effectively all agreed, I see no problems with you now applying to discharge the conditions.

I will make you aware of any RM conditions when I come to write them.

Kind Regards

Good morning Simon and thank you for your email,

We appreciate that you are very busy, and on the basis that this application is to be permitted under delegated authority, agree to a revised decision date of 26th February.

So that this extension of the determination periods avoids any delay to commencement and delivery of these new homes (**planned now for 30/03/2020**), please confirm if you are now willing to receive and consider our applications for discharge of conditions associated with the outline planning permission. We shall also be pleased to receive details of any draft planning conditions to be attached to the RM decision.

Kind regards,

Daniel O'Shea
Planning Manager
