

Hi Zoe,

These three documents were previously issued to us in November 2019 and formed part of my Action Sheet request at the time (see attached photo) however they were not added to the system. The three parts need to be added as Sub Documents and need to supersede the "Drainage Strategy & SuDs Statement" dated July 2019 listed in the original documents. Please label the new ones as:

"Drainage Strategy & SuDS Statement (Part 1)" ref TRS/E4761/17424 Rev 3 07/11/19

"Drainage Strategy & SuDS Statement (Part 2)" ref TRS/E4761/17424 Rev 3 07/11/19

"Drainage Strategy & SuDS Statement (Part 3)" ref TRS/E4761/17424 Rev 3 07/11/19

Thanks.

Simon
