Hello Simon, I've been informed that the consultation period has been concluded and all objections resolved. As such the developer is now free to install the no waiting restrictions in accordance with those details the consultation has been completed on. The legal order making the lines enforceable wouldn't be signed and completed though until the restrictions are in place.

Hi Ian,

Can you advise on the status of TRO ref JWA9008MM (Summer Lane Pagham). I note that it has gone through consultation. Do you know whether it has been passed or if not, when?

Kind Regards
