Hi Simon,

Thanks for your email.

We confirmed the height of the mound back in 2020 when the same question was raised, please see attached correspondence. We indicated the height would be 2m then crowned, so this accords with being slightly higher than 6ft. At the time, the resident and yourselves were satisfied with the explanation and the proposed height.

I will be visiting site next week, so I can take a photograph to confirm the height and assess any impact on privacy.

Kind regards,

Daniel O'Shea
