Thank you for the opportunity to comment on additional information (SHE Form - Method Statement) supplied with reference to Footpath 100 on the above numbered planning application.

The Public Rights of Way team would like to encourage the application of a Temporary Closure Order via the West Sussex County Council website at <https://www.westsussex.gov.uk/land-waste-and-housing/public-paths-and-the-countryside/public-rights-of-way/request-a-change-to-a-public-path/temporary-path-closures/> if the developer hasn't already done so.

We acknowledge the provision of an alternative pedestrian route and would like the developers to be aware that they have responsibility and liability for that which must be safe and convenient to use by lawful path users (pedestrians) and to ensure all signage is clear, always on display, regularly maintained and kept in place throughout the duration of the works.
