Dear David,

Thanks for your email.

We issued a re-consult to Engineers on 11/08/22. Engineers are currently tasked with dealing with the backlog of outstanding first time consultation requests. My understanding is that they have nearly achieved this and will soon be able to look at those where officers have reconsulted them. Our Group Head of Planning is meeting engineers next week to discuss the priority of those that have had reconsults. I will know more after then as to how long it will be for you to get a response.

Kind Regards

Hi Paul,

I hope you're well.

I've been asked to contact you in regards to our response to LLFA comments on conditions 9 and 11 of planning application P/70/22/DOC for the site at Sefter Road in Pagham.

We submitted the attached on 11 August 2022 in line with the timescales requested by your colleague Simon Davis (see email below) but have been advised that to date the submission documents have still not been reviewed. Conditions 9 and 11 are pre-commencement and as such Hamilton Homes are experiencing delays on the project due to the councils resourcing issues.

We would be grateful for any assistance you could provide to assist with the discharge of the conditions noting that we the requested information has been provided to the LLFA.

Kind Regards

Tafari Lewis
