Dear Julian,

Our consultant engineers are currently looking at those cases where there have been re-consultations. As I understand it, there are 5 of these such cases including yours. I am hoping to get comments next week or the week after.

Kind Regards

Hello Simon,

Hope you are well.

We have received the approval for the Condition 13 variation to the original Outline Approval, which is welcomed.

Is there any progress on drainage matters?

Regards, Julian
