Proposed works 2 Lagoon rd.

Dear Mrs Chapman

Proposed works include extending existing dormer to rear aspect to provide additional bedroom with shared bathroom. To install new conservatory with full width bifold doors and double glazed roof side walls to match house render. Rear wall to be made of blocks rendered white finish with dwarf conifers in planters return wall to garage, freestanding detached garage with up and over door. Front gates timber all 1m high hand side gate to garage we would also like to replace mineral felt with zinc replacement and finish garage roof the same

Yours sincerely

W Grace
