TOWN PLANNING

Dear Sirs

Extension to Agricultural Building
Sefter Farm, Pagham Road, Pagham, W Sussex, PO21 3PX
As approved previously under; P/32/08 and P/29/11

Please find enclosed my client's planning application for the above.

It is the applicants request that assessing and obtaining the necessary environmental quality of the proposal should take precedent over administrative expediency.

Whilst the applicant understands that central government encourages your council to determine this application within eight weeks, they wish you to know that a decision within eight weeks is not their priority. Their preference is to obtain officer support through discussion and amendment where possible.

Should it seem likely that this application will attract an adverse officer recommendation then we ask to be informed before the item is added to any committee agenda or delegated powers list.

Please let us know by e-mail or telephone if you consider that any additional information or drawings are required to enable this application to be validated.

Yours sincerely

Paul Hughes
