Subject: Re: 6807 Sefter Farm Applications P-75-14-PL & P-76-14-PL

Dear Mr Davis,

We have received instructions from our client to withdraw both applications P/75/14/PL and P/76/14/PL to allow time for the preparation of assessments for the setting as requested.

Please could you confirm that the applications have been withdrawn and that should the applicant wish to re-submit the applications with the additional information, these will not attract any additional application fee.

With kind regards

Paul Hughes
