Please ask for:
Richard Temple

11th August 2016

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Construction of a building for the packaging, preparation & distribution of fresh foods with ancillary accommodation associated with the existing horticultural business, revisions to internal access road, car parking & hardstanding areas & landscaping & provision of a wetland. This application affects the setting of Listed Buildings.

Sefter Farm Pagham Road Pagham

Thank you for your internet representation made on 10th August 2016 which has been recorded as '**an objection**' with the comments as follows:

I think it would be irresponsible to approve this application. The increase in HGV traffic would add to the risk of accidents, increase the frequency of long tailbacks from the A27 and create mayhem on an already busy, over-used road from Pagham to Chichester. The fact that there is planning consent for 140 houses along Sefter Road, plus others for housing in Pagham means that the increase of delivery lorries, trade vehicles and cars would make life extremely difficult. The carbon footprint will rise because of the inevitably long delays, this will increase the fuel costs and be counter to the "Economic Regeneration".

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
