Thank you for your internet representation made on 11th August 2016 which has been recorded as '**an objection**' with the comments as follows:

*We do not believe that this has any benefit to the Local Community Barfoots are only Interested in Profit !!, We live on Hook Lane and the noise from the Factory Packing sheds is Horrendous all night , My wife and myself have to wear ear plugs to sleep properly , there is always machinery noise and banging all through the night , this is a Ridiculous proposal for what is a Residential area , an Increase in HGV Vehicle movements would be totally detrimental to the Local environment, and noise pollution would be utterly intolerable , not to mention the safety of Pedestrians, Cyclists and all other Road users, a 50% Increase in HGV's I shudder to think of the Consequences if this is approved , if Barfoots what to Expand then clear off back to Botley !!, Regards

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully
