

11-8-2016
ARON DISTRICT COUNCIL
22 AUG 2016
RECEIVED
3. Honeyuckle Drive
Farm Estate
Pagham. P.O. 21-3PT

Dear Sir
Ref: Planning Application P/76/16/PL
Barfoot's.

We have a noise problem from there
and to imagine what this
Planning Application, if approved
would make life for us residents
would be a complete nightmare
People on this estate are retirees
and the difference is already
noticeable. The village is
already crammed with cars
day and night with no place
to park. We already have the
possible problem of flooding
summer time is already overcrowding
the village. People drive to Pagham
to eat and the 3 lovely ancient
pubs. We will get no visitors.
Pagham Rd. into Chichester.
210 homes have already been
approved. That's quite enough
to deal with for us residents
people will be using the road
to go to School, Work etc

2.
When I retired here, my family
visited regularly from Heathrow
approx 1 1/2 hrs. Now before this
all take place please God it doesn't
I don't see them often, because
the journey to here is approx
3/4 hrs. that is before they get
to Pagham. Far too many cars on
the roads everywhere. The thought
is, awesome. We would be
completely destroying the historical
village of Nyetimber/Pagham.
Please, Please, do your best
to object to the idea of
turning Pagham (Barfoot's)
into an industrial park
(Please excuse writing)
I have problems.

Sincerely,
