Subject: Planning Application P/78/19/CLP. Newey Cre8. Lagness Pagham

Dear Officer I wish to register, as I did with the previous application my opposition and much concern to this Current application. Again, no pavements, on a fast and very busy road, turning in and out of the small lane will create a danger with what will be a fair number of vehicles, there is no infrastructure here.

I think Permitted Development Rights should be rescinded. There is a great danger that the workers housed at the former Bracklesham Holiday Site could end up here, and we are not talking of a couple of dozen, and that the proposed site could 'creep'!!

I also understand that on this site a haulage and storage business has also been allowed.

Thankyou Alan Everett
