10th September 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 39

Lawful development certificate for the proposed seasonal use as a caravan site for the accommodation of seasonal workers.

Newlands Nursery Pagham Road Chichester

Thank you for your internet representation made on 9th September 2019 which has been recorded as '**an objection**' with the comments as follows:

I have previously objected to this plan and it had been refused so why is it back on the planning list. It is most unsuitable place for a load of caravans and workers in the middle of the countryside. It is right on a bend where there is very heavy traffic on it already for a B road. There will be lots of coming and going of people going to work or driving cars. The houses that are around there must be horrified at the thought of all those people moving into their lovely peaceful place. How will it affect the prices of their properties with a caravan park next door! This plan is far beyond what was originally agreed for Newey nursery was allowed to use it for. They are running a recruitment business (Pro Force). They are flouting the rules without any regard for anyone but themselves and making money.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
