Good afternoon Simon

I have been advised of you email sent yesterday to the applicant. In light of your request for additional information, it would seem sensible for me to hold off preparing my comments in relation to the application, to allow me to consider any additional information submitted. However, I am mindful that I need to get comments to you in a timely fashion and would not want to compromise my ability to comment on this application. Are you able to confirm that there would be sufficient time post-submission of this information to enable us to submit a response in full?

I look forward to hearing from you

Regards

Jill

Good morning Mr Davis

Site: Newlands Nursery, Pagham Road, Bognor Regis PO20 1LL

Application: P/78/19/CLP

I have again been approached by local residents to comment on their behalf in relation to this application. I have been unable to identify the consultation period from the information contained on the local authority website. I appreciate that you may not have consulted but, if you have, please could you confirm the consultation period. Alternatively, if you could please give me an indication as to a reasonable timeframe for me to submit my comments to enable you to have sufficient time to consider the arguments advanced.

I look forward to hearing from you at your earliest convenience

Regards

Jill
