Please could you upload the following e-mail to the application folder P/79/21/RES as a representation letter objecting to the proposed development?

Thank you

Application_Ref_No

Good afternoon

I would like to lodge an objection to the planning application to build 300 house on the site in Hook Lane Pagham.

- *The area is already over populated
- *The roads are inadequate for the amount of traffic now with out adding extra cars.
- * flooding of roads.
- *Lagness road cannot cope with the lorries used by the nurseries.
- *Unsafe to cycle on the roads now
- *Speeding is already an issue.

- *Most new properties are built without adequate parking for each household.
- *The roads are already in a poor state of repair.
- *The schools, doctor surgery, Local hospital, Dentist etc are over stretched to.
- *Farming land is being reduced.
- *They will have an visual effect on the locality

I am totally against the plan to build 300 houses.

kind Regards
