Dear Mr Cross,

Thank you for email. Apologies for the delay in my response. I did receive the three plans but unfortunately require a couple of amendments.

We require all the site dimensions from the dwelling to the site boundaries clearly shown on the block plan.

I have spoken to my Team Leader and although it is ok for you to show both existing and proposed works on the same plan we will need you to somehow hatch or highlight the proposed part of the floor plan to make it clearer for the public.

If you have any queries then please don't hesitate to contact me.

Many Thanks

Charlotte

Hi Charlotte

You should have received 3no drawings

1713 Showing ground floor plan at scale 1.50 also dimensions showing size

1713. 2/3 Showing elevations proposed and existing at scale 1.50

There also should have been 2no block plans showing the site in red.

Can you confirm that you have these drawings as your letter seems to asking for them to be forwarded. They were all sent together in same envelope
