RE. APPLICATION P/81/19/HH

Dear Mr Gardner,

Further to our meeting at your office on 23/9/19, I wish to register a strong objection to their applications for the following reasons.

- 1) the proposed new wall of this extension will be approximately 3m away from my wall.
- 2) the said wall (not a party wall) has the services of 2 bedrooms, electric and kitchen.
- 3) will prohibit access to Syrodon

indoor for redecorating, roof and gutters.

Accounty for Health and Safety and Insurance reasons this can only be

obtained by erection of scaffolding. The proposed extension will make

this impossible.

I therefore would appreciate a site visit to confirm or otherwise my comments.

Yours sincerely.
