5. Description of the Proposal

Please describe the proposed development including any change of use

I have previously spoken to Andrew Wood in ADC Planning regarding change of use for this commercial property and he has asked me to mention that I have done this in my application. I would like to apply for mixed use. The Unit is currently A1 retail and I would like to run a Mind and Body Studio (D2) from the premises including some retail use (e.g exercise wear, mats meditation CDs). The business will offer different styles of mind and body exercise including Pilates and yoga exercise classes to small groups (10-12 participants) and one to one training. The atmosphere will be calm and tranquil and will also include sessions in relaxation/meditation to promote mental health as well as physical wellbeing. There is to be no structural work carried to the premises. It will be painted and have laminate flooring put down with wall heating, soft lighting and mirrors. The hall and toilet will be decorated; the store cupboard will remain for storage of equipment. The business will be very beneficial to the community offering physical, psychological and social improvements to health. I will work closely with the local GPs and hospitals to offer courses in good back care management, falls prevention, antenatal and postnatal classes alongside general mind and body exercise classes.
N.B. The open times given later in the form for D2 use are likely to be 09:00-14:00 and then 18:00-21:00 and there will be very occasional use at the weekend. This could not be outlined as clearly in the appropriate section.
