Dear Maria,

Thank you for your call.

Given there is still outstanding information required to support the application (ref: P/82/22/PL), please can we withdraw the application.

We can then work with yourselves to prepare the correct documents and hopefully achieve a successful resubmission in the near future.

Thank you for assistance on the matter.

Kind Regards,

Tom Ford

Good Afternoon,

I am afraid all this will be possible after submitting a new application.

I also believe there was more than enough time to provide required information (6 weeks) and assess them on time.
Your decision will be issued tomorrow.

Kind regards

Maria

Good Afternoon Maria,

Thank you for your call.

Please can we request an extension of time to provide the report, the consultant has been appointed and is due on site imminently. I also understand your team will require time to review the findings.

Dear Maria,

Apologies, I have re-read my original email in relation to this and realised that I have not been clear. Please could the applicant provide a BS 4142 assessment to answer the queries from my last email?

Many thanks

Fiona

Dear Maria,

Please could the applicant confirm whether noise from the unit has been taken into account when siting this unit? Whilst I note that the acoustic data has been provided in the manufacturers specifications, I am unsure which way round the unit will be faced, and whether the residential dwellings over the road have been taken into account when siting the unit?

Regards

Fiona Fitzgerald
