27th August 2015

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Removal of 3 No. antennas & addition of 9 No. antennas with new headframe & x1
0.6m dish with ancillary equipment.

Pagham Football Club Nyetimber Lane Pagham

Thank you for your internet representation made on 27th August 2015 which has been recorded as '**an objection**' with the comments as follows:

I object in the strongest possible terms. This mast is less than 40 paces from the back of my bungalow and is visible from the front also, creating an unsightly structure which will be even more of a blight if granted. The mast was originally erected without any advance warning several years ago. The noise from the fan which faces towards my property is a nuisance in the warm weather as it cuts in and out 24 hours a day. It should have been sited on the other side of the mast away from my property. Also the mast should not be so close to houses in Barton Close, preferably further back along the side boundary of the football field. I will send a separate email with photos.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
