Andy- I am now okay with these details.

Simon- happy to recommend discharge of the condition based on these.

Kind Regards,

Laura Gibbons, MEng, GMICE

Laura,

No problem. I used an arbitrary level on the calculations just to get the design done which may have caused some confusion. I have now updated to the correct levels (attached).

Also formation level and cover level shown on the drawing for completeness. I have increased the eastern side to 350mm, the calcs had a typo in which accounts for the error you noted. Many thanks and apologies for that.

Kind Regards,

Engineering Andy Johnson
