Dear Sir

application no P44/09
Section 73(5) of the Town and Country Planning Act 1990
(as inserted by the Planning and Compulsory Purchase Act 2004 s 51(3))

My client has made a start on the site, in particular the foundations of the garage to plot no 5 outline in red on the enclosed plan and illustrated by the attached photographs.

Although no authentication is required I would request that this be placed on file for any future reference.

Yours faithfully

David J Brookwell
