Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010
(as amended)

New access road & amendment to curtilage of Plot 1 - amendment to approval P/44/09/
(re-submission following refusal P/30/12/)

Car Park Land off Sandy Road Pagham

Thank you for your internet comments made on 21st November 2012 and recorded as follows:

On balance, and in the absence of any representations from nearby residents, members decided not to offer any objection to this proposal. Whilst the committee noted the absence of any objection from WSCC Highways they were concerned that this access proposal would result in parking conflicts once this development was completed.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Karl Roberts
