Dear Simon,

L – Measures to control the emission of noise during construction

Please could the word 'Generally' be removed from the 3rd paragraph, thereby ensuring that the working hours will be complied with. Please could the same word be removed from 'Restricting Operating Hours of noisy procedures'.

Under Consultation with the Neighbours at the end of the document, please could it be re-worded to state that regular weekly reviews will be held with the Local Residents Committee at Mill Farm, rather than it would seem sensible to do so. Please could a sentence also be added to confirm actions that will be taken with regard to neighbours who are not Mill Farm residents.

Once these items have been amended, Environmental Health is happy for Condition 5 to be discharged.

Regards

Fiona
