Dear Simon.

21 SEP 2021

When The Inglenock Pub
was inspected for Planning
of Housing it was during
lockdown, surely this is
not a true picture of this
project, busy roads,
People crossing new Road
entrances at The Spinnaker
& Summer Fields, underground
water tables, to possible building
on/near Barton Farm & flooding
also Hook Lane, small acts
help climate change. Stop Building
Please leave the Hedging
Thank You.
