Dear Mr Markham,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission for Works or Extension to a Dwelling

Development: Erection of single storey detached outbuilding and installation of new fence. Alterations to existing dwelling fenestration and front patio with steps. Reposition existing vehicular crossover.
Location: 15 West Front Road Pagham PO21 4SY

Thank you for the information you have sent following my previous letter. Unfortunately I am still unable to accept the application as valid until the following matters are resolved:-

Please confirm you agree to the revised description: "Erection of single storey detached outbuilding and installation of new fence. Alterations to existing dwelling fenestration and front patio with steps. Reposition existing vehicular crossover."

Elevations

Please submit electronic plans in pdf format clearly labelled existing front elevation at a scale of 1:50 or 1:100. Further details can be found in the Validation Requirements List.

Visibility Splay

West Sussex County Council require that a visibility splay is provided. A splay is formed for a 30 mph speed limit road by measuring from a point 2.4m back from the kerb edge in the centre of the proposed access. A line should then be drawn from either side of this point for 43 m in each direction to the nearside edge of the carriage way. The splays must intersect and only within the control of the applicant, or within the publicly maintained highway.

The distance will increase with the speed limit of the road. If the road is 40 mph speed limit then the distance should be 120 m either side. For speeds above this please contact West Sussex County Council Highways for advice on what would be acceptable.

Biodiversity Enhancement Statement

Please submit a Biodiversity Enhancement Statement. This is a local validation requirement completely separate to the Biodiversity Net Gain requirements and as a minimum, it should state

how the application seeks to protect and improve the existing on-site natural environment. Please refer to the validation requirements list for further information.

Flood Risk Assessment

This application requires a Flood Risk Assessment. The Environment Agency website provides information on what should be included. Please refer to the Validation Requirements List for further details and contact details for the Environment Agency.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **21st August 2025**. If this information is not received by this date, I will close the file as incomplete and where a fee has been paid, will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. Once closed, if you wish to continue you will have to submit a fresh application.

If this letter has crossed with you providing the information, please ignore it.

Yours sincerely

Neil Crowther
Group Head of Planning
