Hi Hebe

I refer to your e-mail dated 12/9/25, copied in below, concerning outstanding Planning matters in regards to the above mentioned application. In particular, I note your request for a plan and elevations for the proposed outbuilding, which we did provide on the Planning portal previously, but which would somehow appear to be lost.

No problem, as we have attached as requested the plan in question ie :- Drg No WFR/PP/100/1, that we trust you will find all in order.

It would be greatly appreciated if you could confirm as soon as convenient that you now have all the information you require to progress our current Planning Application.

Best regards,

John Markham

Good afternoon,

I've just been taking an initial look at the plans for your planning application at the address above. In order for us to assess the impact of the proposed outbuilding, I would need to see some elevation drawings. I would be grateful if you could get these to me by 26 September, so that these can be fully assessed in advance of the determination date for this application. These don't need to be submitted via the planning portal, and can be emailed to me directly.

I look forward to hearing from you.

Kind regards,

Hebe Smith (she/her)
