Dear Sir/Madam

Planning (Listed Buildings and Conservation Areas) Act 1990

Application for Listed Building Consent for the repair & alteration to listed building at entrance to Church Farm Holiday Park, works required to return existing building to a condition commensurate with the listed status.

Church Farm Holiday Park Pagham

Thank you for your internet comments made on 7th August 2008 and recorded as follows:

No objection. members were pleased to note proposals by the Company to deal with the damage and degradation of the Listed Building and to improve the streetscape afforded by the roadside barns along the Sea Lane frontage. This will be a significant and welcome restoration of village heritage.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Zachary Ellwood
Interim Head of Development Control
