Dear Sirs

We wish to object to the above Planning Application as above.

If this build were to proceed the spacious nature of this estate would be compromised. It is a very open-plan neighbourhood

The risk is that this estate could become 'built-up' if this build goes ahead; it could set a precedent leading to numerous dwellings being built.

It would spoil our enjoyment of our own home, having lived here for 30 years and having been used to the space around us, a build of this proportion would be very un-welcome. We enjoy the feeling of open space around us when in our back garden and whilst using our rear living rooms; the proposed new dwelling would be visually intrusive when viewed from these areas.

We are also concerned that a new home so close by would increase noise levels.

Yours faithfully
