Dear Simon

P/86/20/PL: Retention of 4 No. mobile homes for countryside workers together with drainage & service connection provision in connection with permission P/72/09 as varied by P/22/17/PL. Bowley Farm Bowley Lane South Mundham Chichester PO21 1NB

Thank you for your notification of the above. There is no objection to the principle of additional worker accommodation if there is an agricultural need and occupancy is conditioned accordingly.

A short section of the northernmost part of the access appears to cross the boundary into Chichester District. With associated traffic accessing roads within Chichester District, and the application seeking additional accommodation it is requested that a green travel plan is considered. This should include options

and encouragement offered to workers to access local facilities and services by bicycle or shared modest of transport and the installation of electric vehicle charging points on site.

Kind regards,

Naomi
