Dear Angela,

That is fine, I will make a note on my file.

Kind Regards

Subject: re :P/87/19/DOC - Managed breach of Pagham Spit conditions.

Dear Simon,

I have today received the information regarding the conditions for the managed breach of Pagham Spit from within NE. I have requested a 2 week extension from CDC and I hope you can offer me this same extension.

If you could let me know if this is suitable timeline for our response I would be grateful.

Many thanks,

Angela
