Dear Sir/Madam

New building adjacent to the existing central reception building to provide an owners leisure and relaxation facility

Church Farm Holiday Village Church Lane Pagham Bognor Regis

Thank you for your internet comments made on 15th September 2010 and recorded as follows:

> *No objection. Members noted that in para 2.02 (Page 3) of the Flooding & Drainage Assessment it quotes the strategy as "hold the line" which is incorrect.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Karl Roberts
