Regarding application No p/91/12/ .

Dear sir i am concerned about any application for this fence, because the boundary has been extended out onto well road by about 8Ft onto common land, which belongs to pagham holdings ltd ,This has bottle necked well road, opposite my home at 2c well road pagham PO21 4SR ,and has made it difficult to enter or leave my own drive safely. i and pagham holdings and others have been trying to contact the owner to resolve this issue for 13 months now, but he simply wont respond.

yours sincerely joyce mckee. ps it was horrible to see him tear down trees and shrubbery to make his land grab.
