Dear Mrs Chapman,

Regarding 2 Lagoon Road / Well Road fence application for Mr Cyrae, my husband and I have no problems with his existing fence but we would be concerned if the height were to be reduced for security reasons.

Joyce McKee is making issues about the fence but she does not reside here permanently but we do. I must add there are more weighty issues to be dealt with :- dilapidated caravans old boats that need to be considered in Well Road.

Yours Sincerely

DEAR MRS CHAPMAN,

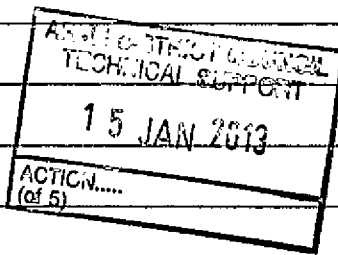

I AM WRITING TO YOU IN RESPECT OF NO 2 LAGOON THE PROPERTY ADJACENT TO MINE WHICH IS NOW EFFECTIVELY A BUILDING SITE, THERE SEEMS TO BE SOME CONTROVERSY REGARDING THE HOARDING AT THE REAR OF THE PREMISES ON THE WELL RD SIDE, SOME SAY IT IS AN EYESORE, BUT IT IS ONLY A HOARDING, ERECTED ACCORDING TO THE NEW OWNERS TO PROTECT THE SITE FROM ADVENTUROUS CHILDREN & NEARDOVELLS AS HE WILL HAVE EXPENSIVE EQUIPMENT & TOOLS ON SITE WHILE WORK IS IN PROGRESS, I WOULD ALSO LIKE TO POINT OUT THAT IN THE PAST WHEN THE PROPERTY WAS EMPTY & AWAITING SALE I HAD TO CHASE SOME BOYS AWAY AS THEY WERE CLIMBING ON THE ROOFS OF THE OUTHOUSES & THE FEAR WAS THAT THEY MIGHT GO THROUGH & INJURE THEMSELVES, ALSO THE LADY HANDLING THE SALE SAID THE OUTHOUSES WERE BROKEN INTO & SOME GARDEN IMPLIMENTS & GLAZED POTS WERE STOLEN, SO IN THAT REGARD I HOPE APPLICATION IS SUCCESSFUL BECAUSE IF HIS PROPERTY IS VULNERABLE SO IS MINE.

I ALSO HAVE ASSURANCE THAT WHEN THE WORK IS COMPLETE, THE HOARDING WILL GO & BE REPLACED BY A GARDEN WALL ON A FENCE

YOURS SINCERELY

Dear Sir/madam,

Before lagoon Road was purchased in Oct 2011 the ground was being used as a dumping ground for dog mess, garden + general waste, I had noticed that on a couple of occasions this was being done by the part time residents of 2c Well Road.

In my opinion since the purchase was made the work done so far has only enhanced the appearance of Well / lagoon road. Vermin has ceased, coming from the property, smells + the unsightly mess has gone. The fence line does not encroachment onto the road, blends in with other fences of the same height stops residents dumping rubbish on the site, keeps children out, secures the property + mine needs to be at this height for health + safety and secures the tools + equipment on the site.

Yours faithfully
