: Strategic Ecological Response to...

P/192/11/DOC

APPLICATION No.: DC/92/11/952/DOC

PROPOSAL: Application for approval of details reserved by conditions 3 & 6 relating to P/145/08/ for Conversion of C-19th flint barn to 4 bedroom house and self contained one bedroom holiday let & landscaping

SITE: Land to the north of Highfield, Stane Street, Pulborough

GRID REF: 505200 119787

Subject to the erection of either an EcoSurv bat box or a Schweglar 1FR bat tube situated on the South / South West aspect of the buildings. Access and nesting provision (e.g. Schweglar No. 10) for swallows should be maintained.

I recommend that potential roosting areas such as the roof tiles are stripped by hand under the supervision of a licensed bat worker.
