ADC ref: P/92/11/DOC

Dear Mrs Leeson

Butterlees Barn, Butterlees Farm, LAGNESS
Application P/145/08 – Discharge of Conditions

Further to your recent emails, please find enclosed our revised drawings showing Bat and Owl Box positions as requested and we apologise for the delay in getting these to you.

In summary, two bat boxes have been provided on the preferred south west elevation, these would be Habibat Bat Boxes with a custom brick facing to match the existing building. the owl box would be located on the south west corner of the building facing open fields and built into the building to provide the sort of shelter that Owl's prefer as well as be a discreet addition to the building.

We trust that all of the above and enclosed is acceptable and that the condition can now duly be discharged.

Should you have any queries, please do not hesitate to contact us.

Yours sincerely

Malcolm

Dear Mr Simmonds

Please can you confirm that you intend to submit plans showing the bat/owl boxes as required. If I do not receive these this week, I am afraid that I will have to refuse the application.

Regards
