Sorry, with attachment this time.

I thought things were going too well yesterday.

Att: Miss K.Garner,

Thank you for your letter of 11th October.

As requested, please find attached PDF file of Drawing 1734/SK-11 with the extraneous black areas corrected for substitution; I have not given this a revision letter.

Appologies for that; conservatory and garage on the wrong layer in the cad drawing.

Regards

Andrew Vanags
