Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/93/21/PL
Site Address: Church Norton Spit Pagham Beach Pagham PO21 4TD
Description of works: Creating a temporary alternative outflow channel to reduce/avoid flood and erosion risk to properties and businesses at Pagham Beach and Haven Church Farm over the autumn 2021. This application is the subject of an Environmental Statement & is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 1st August 2021 which has been recorded as support with the comments as follows:

OWPC39065

We whole heartedly support this application.

It is long overdue and is the only way to stop the erosion along the beach which has been caused by the growth of the Church Norton spit.

We hope and pray that this goes ahead as the beach erosion has caused so much stress for all the residents of Pagham -not only beachside property owners.

We strongly support this application.

Thankyou.

Your views as made above will be considered before the application is determined.
