Planning Applications P/93/21/PL & 21/01921/FULEIA Proposal for the provision of funding

Dear Mr. Davis,

Further to recent discussions we would confirm that Pagham Flood Defence Trust will provide the funding for the future adaptive management of the breach if Pagham harbour shows signs of closing as a direct result of the work outlined in our planning applications P/93/21/PL and 21/01921/FULEIA.

Pagham Flood Defence Trust was set up and registered with the Charity Commission with the following aims:

For the benefit of the community, the preservation of human life and property and for the protection of the environment to provide, preserve, maintain, restore, and or improve sea defenses and flood protection measures in the area of the Parish of Pagham.

The Trustees have voted to guarantee and deposit £50,000 in an account for a 5-year period beginning with the issuing of the two planning permissions referred to above

Should you require anything further at this time please contact Robin Henderson or Peter Atkins who will be acting on behalf of the Trust.

Yours Sincerely

Peter Atkins,
Chairman Pagham Flood Defence Trust

Charity Commission Registration number 1160270
