Dear Sir,

Re: P94/15/PL

In response to the re-submission for three bungalows on the Pagham Yacht Club car park, it is hoped the application will again be refused. Pagham Beach is under serious threat from the sea as never before, the Environment Department have recommended no further new properties be built on Pagham Beach as it is a recognised flood plain. I feel this to be good advice and ask the planning department to refuse the application.

Yours faithfully,
