Subject: Planning Application P/94/15/PL

Mr Davis,

Can I ask if you will accept feedback for the above application?

When the applicant put forward a similar proposal earlier this year I wrote with my concerns prior to it being withdrawn.

The notice for the re-submission has been posted in a different (and less visible for me) location, and I have only just seen it.

My previous concerns are no lessened by the amendments made to the proposal, so I would appreciate the opportunity to have my objection considered in writing.

Kind regards,

Kevin Harris.
