Dear Mr Sinclair,

This email is regarding you current application for tree consent works at 32 Kings Drive, Pagham.

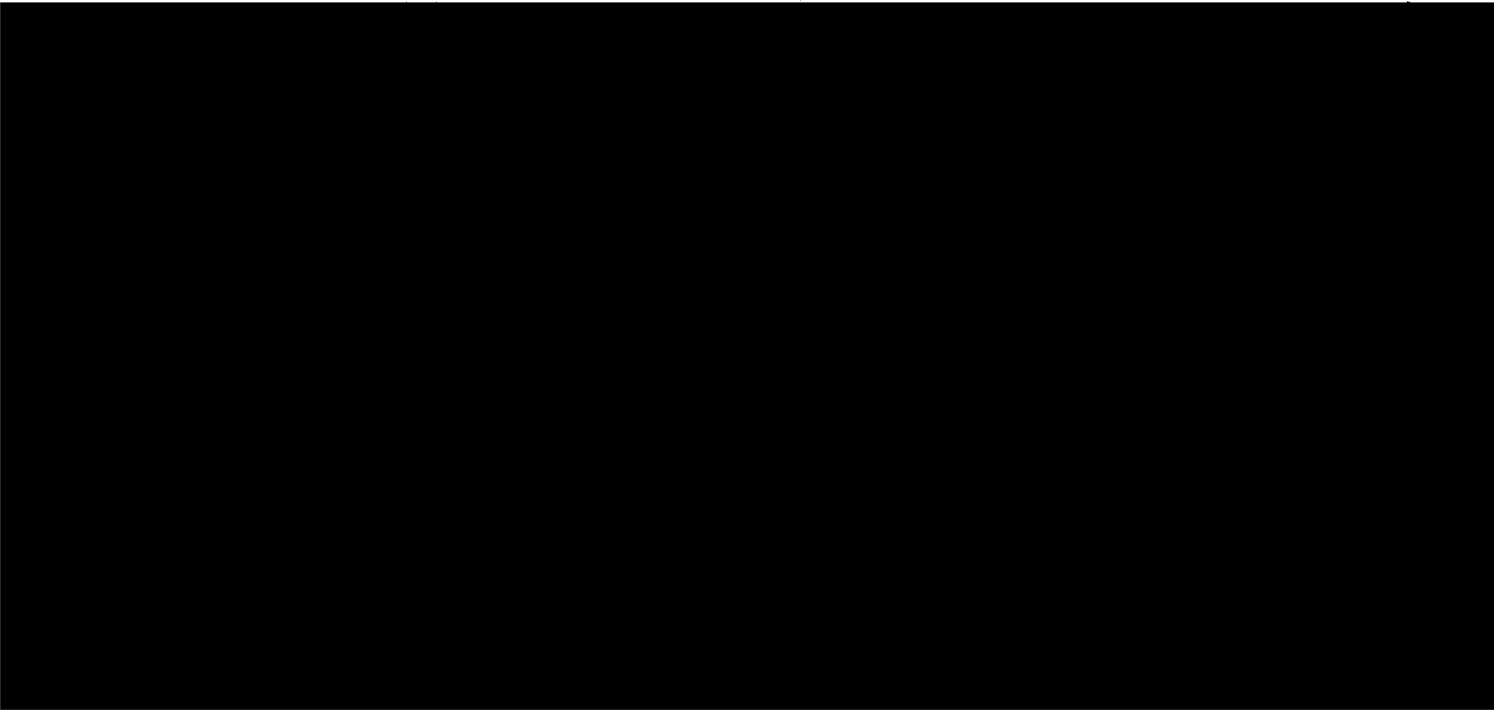

As it stands, the application is set to be refused, as the Arboriculturalist believes that the proposed crown reduction is unacceptable and would harm the visual amenity value of the tree.

If you would like, I can remove the proposed crown reduction from the application. This would allow you to perform the crown thinning only.

Please reply within a week so I can change this for you.

Many thanks,

Z Denton
