Mr Ricahrd Castro-Parker,
Arun District Council,
Maltravers Road,
Littlehampton.
West Sussex.

Dear Richard,

I am Writing regarding planning application P/94/18/PL Land between Commonmead Barn & Field View/Farmgate Cottage Pagham Road. Erection of 3 Containers for storage & repairs. Which I strongly object to.

1. The field in question is green belt land with permission to graze sheep on, and recently permission to use a small portion of the northside of the field. We should be protecting our green belt land with so much being used for local housing. There is a note on the original permission relating to the grazing of sheep that I would like you to take into consideration.
2. The owner has increased over several years the volume of temporary structures and containers as shown in the attached google earth photos with various dates on them. From my property the view can only been described as looking into a scrap yard, the containers and sheds are spread all along the back-boundary line. Google maps and dates have been included.
3. When work is being carried out on said boats and vehicles the dust can be overwhelming, as is the noise. This work is often undertaken at the weekends, which in the summer months can be very annoying.
4. Throughout this process the owner has never communicated with myself.
5. I have complained since 2017 to Rosemaire Dannett at Arun District Council about the state of the field in question. I have also complained to my MP in 2017 and again in 2018.
6. I believe my neighbours at Rockery Farm has complained since 2008, about the change of use of the land in question.
7. I believe that the containers would be an unsightly development of our countryside, and would be a departure of the development plan.

I therefore would like my objection to the planning application taken into consideration.
Could you please acknowledge receipt of this objection to my personnel email address
