Hi,

Please could the attached plan be uploaded to P/94/18/PL as per the Action sheet?

Thank you

Richard Castro-Parker

Senior Planning Officer (Contract)
Arun District Council.

Dear Richard,

Further to our telephone conversation please find attached a site plan (revision C) which includes the position of an overflow pipe from a pond on an adjoining property.

Kind regards,

Andrew

Dear Richard,

Further to our telephone conversation. I have spoken to the applicant and the only water course he is aware of is a drainage ditch which I have shown in blue on the attached site plan. I think part of it has been culverted.

Kind regards,

Andrew

Dear Mr Knowles,

I am e-mailing you to let you know that I have written the Officers report with an Officers recommendation to grant re: P/94/18/PL – Containers. The Parish Council (Pagham) have objected to the application. I have contacted them to inform them that this current application does not seek to address the

use of the land as this has already been established by earlier application ref: P/139/17/CLE. Therefore, I have requested that they may wish to look again at this application and potentially amend their comments. I believe that they had a meeting yesterday evening but I am yet to hear anything. If they do alter their comments such that they no longer object the application, it will not have to go to the next available Planning Committee. However, if they do still wish to object the application it will have to be taken to the next available planning committee.

Once I hear back from the Parish Council I will contact you to let you know the outcome and I will also be requesting an appropriate extension of time.

Yours sincerely

Richard Castro-Parker

Senior Planning Officer (Contract)

Arun District Council.
